Note provisions under Section 6 of Administrative Order No. 4 relating to securing permission to incur expenses for special services.
4. If paralegal or investigative expenses are authorized by the Assigned Counsel Coordinator, these expenses should be documented separately from attorney expenses. Authorization should be attached to the debenture. In no case will payment be made for any third party expenses in excess of amounts approved in advance by the Assigned Counsel Coordinator.
5. Mileage: List the starting and destination points with the total number of miles traveled. Multiply miles by the current rate for state mileage reimbursement (.56).
6. Telephone calls: You may 1) list your total expense as a single line or 2) list each call separately. Attach a copy of your phone bill with call(s) highlighted.
7. Photocopies: Copies made in your office are reimbursable at .10 per copy. List the number of copies at .10 and show the total cost.
8. Third party expenses that you paid: Must be approved in advance by the Assigned Counsel Coordinator. You must attach copies of invoices and proof of payment along with the Assigned Counsel Coordinator's approval.
9. You may use your office's billing program to itemize services and expenses. Make sure you complete the rest of the debenture form, sign it, and attach your itemization to the form.
10. Bills for third party services such as psychiatric evaluations, depositions, or investigations which have been authorized by the Assigned Counsel Coordinator in accordance with Administrative Order No. 4 should be submitted directly to the Defender General for payment. A copy of the authorization should be attached. No payment will be made for fees exceeding amounts approved in advance in writing by the Assigned Counsel Coordinator.
